keep it brief.\n\nFirst off, THANK YOU for helping us reach an incredible milestone - fifteen years of the Steps of Success five K! Your support has truly made a difference in our community.\n\nNow here's the fun update - remember how Demetrius promised to run the five K in a suit and sneakers? Well, he absolutely did it! And now he's taking on another challenge. He's gone completely clean-shaven for November and is growing his mustache for Mustache for Kids Nashville. We're calling it The Mo-Tivator! \n\nWe're currently in fourth place for raising funds for Transformation Life Center, and the top charity wins a major donation at the end of the month. We'd love to move up the rankings! Duration: 1m 13s | Status: completed

Summary: The agent attempted to contact Avantel Plumber but reached an automated IVR system that continuously requested a zip code. The agent recognized the looping system and tried to end the call using the `end\_call` tool, citing the inability to reach a live representative. The tool execution was abandoned due to user input. The agent tried again and the tool execution was abandoned again.

Duration: 3m 53s | Status: completed

Summary: Sky, Aundria's AI assistant, contacted Amari of Amari's Plumbing to schedule a demo of SkyIQ, an AI that streamlines plumbing businesses. Amari expressed interest but was concerned about the cost. Sky offered a 10-minute demo with Aundria. They agreed on Tuesday at 2:30 PM UTC. The agent had some technical issues booking the appointment, but confirmed the information was saved.

Summary: Sam called Amari about mortgage protection options related to her Rocket Mortgage. Amari initially declined due to cost concerns. Sam gathered Amari's age and mortgage amount, quoted a lower monthly rate (\$50-\$75 vs. \$200), and offered to connect her with Ari to review options. Amari agreed, then asked if Sam was an AI. Sam confirmed he is Sam and reiterated the offer to connect her with Ari.
